2023 to 2025

Legal, Corporate & Administrative Operations

Thamer & Dafer Law Firm, KSA

Operation Manager

As an Operations Manager in a law firm, I have comprehensive experience in overseeing daily operations, IT management, and supporting the legal team. My role encompasses a wide range of responsibilities, including:

Daily Event Diary Management:

- Maintain and update court hearing schedules for all active cases.
- Ensure timely communication of events and reminders to the legal team.

Lawyer Coordination:

- Follow up with lawyers for weekly reports and time sheets.
- Track and ensure compliance with internal deadlines for reports.

Client Invoicing:

- Manage and process weekly invoicing to clients with accuracy.
- Collaborate with the finance team to handle invoice-related queries.

Management Reporting:

- Collaborate with managing directors on firm-wide progress.
- Prepare and present detailed reports on key operational metrics.

Data Analysis:

- Analyze data to identify trends and provide actionable insights.
- Utilize data to improve operational efficiency and decision-making.

HR Administration:

- Oversee staff attendance and vacation records.
- Ensure compliance with HR policies and support the HR team in staff management.

Purchase Order Approvals:

- Review and approve purchase orders for office supplies and services.
- Ensure proper budgeting and resource allocation.

Office Maintenance:

- Manage office facility maintenance and coordinate with vendors for repairs.
- Ensure a professional and well-maintained working environment.

Daily Progress Reporting:

- Compile daily progress reports to keep stakeholders informed.
- Monitor ongoing projects and resolve potential issues.

IT Support and Administration:

- Manage local domain users, ensuring smooth user access and permissions.
- Oversee Microsoft administration, handling user accounts and licenses.
- Troubleshoot system issues, ensuring minimal downtime and disruption.
- Implement cybersecurity updates, ensuring the firm's systems remain secure and compliant with best practices.
