Shahab Khan

Banking & Corporate Relationship Manager | Global Trade Specialist
| Strategic Operational Leadership
Saudi Arabia

Summary

To pursue a challenging career where my knowledge, ability, honesty, dedication and initiative can be effectively utilized in a progressive organization & I have ability to work under full pressure.

Experience

Thamer Althobaity & Dafer Alsubaie Law Firm
Operations Manager
March 2023 - Present (3 years 3 months)
Saudi Arabia

As an Operations Manager in a law firm, I bring comprehensive experience in overseeing daily operations, IT management, and supporting the legal team.

My role encompasses a wide range of responsibilities, including:

Daily Event Diary Management:

- Maintain and update court hearing schedules for all active cases.
- Ensure timely communication of events and reminders to the legal team.

Lawyer Coordination:

- Follow up with lawyers for weekly reports and time sheets.
- Track and ensure compliance with internal deadlines for reports.

Client Invoicing:

- Manage and process weekly invoicing to clients with accuracy.
- Collaborate with the finance team to handle invoice-related queries.

Management Reporting:

- Collaborate with managing directors on firm-wide progress.
- Prepare and present detailed reports on key operational metrics.

Data Analysis:

- Analyze data to identify trends and provide actionable insights.
- Utilize data to improve operational efficiency and decision-making.

HR Administration:

- Oversee staff attendance and vacation records.
- Ensure compliance with HR policies and support.

Purchase Order Approvals:

- Review and approve purchase orders for office supplies and services.

- Ensure proper budgeting and resource allocation.

Office Maintenance:

- Manage office facility maintenance and coordinate with vendors for repairs.
- Ensure a professional and well-maintained working environment.

Daily Progress Reporting:

- Compile daily progress reports to keep stakeholders informed.
- Monitor ongoing projects and resolve potential issues.

Microsoft 365 Administrator:

- Managed user accounts, including creation, modification, and deletion.
- Assisted users with password resets and account lockout issues.
- Provided technical support for Microsoft 365 applications (e.g., Outlook, Teams, SharePoint).
- Manage local domain users, ensuring smooth user access and permissions.
- Implement cybersecurity updates, ensuring the firm's systems remain secure.
